

Homework

Name: _____ Week of: _____

Directions: Color in each square as you complete the homework. This is a guide, you do not have to complete the homework in this order. ALL homework is due on Friday. Please sign the signature box to confirm that your child did complete the homework colored in for that day. I have included alternative activities down below that can be completed instead of the specified activities for reading, math, and spelling. If you choose to do the alternate activity, please indicate in the notes box and color that box in instead of the one you did not do.

Please no more than 45 minutes each night. Reading is the MOST important homework and should be done EVERY night! ☺

Alternatives:

- Reading- You may do Lexia or Raz-Kids to count toward your reading minutes.
- Math- You may do Prodigy Math or Think Central assignments instead of the math practice for the day.
- Spelling- You may do a SpellingCity.com activity in place of a regular spelling activity.
